RISMO LED OVAL 7W bulkhead lamp, 630lm, IP65, IK08, 4000K

This oval bulkhead can be used indoors in areas such as: bathrooms, corridors, basements, staircases, garages, and outdoors, e.g. in gardens, on building facades or in summer houses. High degree of ingress protection IP65 protects the luminaire against the ingress of water, dust and dirt, which is why this product will withstand even the most difficult weather conditions. The panel shines with a natural white light color with a temperature of 4000K. The modern SMD LEDs used guarantee high energy efficiency and long life of the device. The product is suitable for ceiling and wall mounting. Several luminaires of that kind combined together will create an interesting visual effect, e.g. on the facade of a building.
