Bathroom fan 100mm, wall-mounted, silent operation - standard

Useful bathroom fan that automatically draws the moist air to the outside. It is designed for wall mounting. A very quiet device that will take care of the air quality in the bathroom, but will not disturb our relaxation zone. The fan has a compact design 135x135mm and a short exhaust pipe, which will fit even in shallow ventilation ducts.

Type:
Bathroom fan

Installation:
Wall

Rated power:
8W
